

January 2023

Dear Friends:

We invite you to participate in a very special event, "Start Your ENGINES! A Night in Black and White" We will be holding our 15th Annual Auction to fund our programs, our new building projects, and scholarships for

NATE'S KIDS  - these are scholarships for students who would otherwise be unable to benefit from the arts. The gala will be held on Saturday, February 25 at the Armacost Museum 4200 E 135th Street Grandview, MO, which has an eclectic collection of cars ranging in age from a 1910 international to a Ferrari Testarossa. The premiere mark in the collection is Studebaker. In addition to the cars, there is an extensive collection of antique pedal cars, motorcycles, bicycles, automotive related art and a large collection of gas powered toys. The only way to come see this 44,000 square foot museum is to attend a Non profit event! To gain more information, visit our website at itlarts.com or on Facebook, ITL "Nate's Kids" Benefit.

In the Light is a non-profit company and is a community builder. It's designed to promote excellence and personal growth while encouraging arts in the entire community. *In the Light* is committed to bringing morally upstanding art to the families of southern Kansas City and offers a full range of arts education including visual art, music, theater, culinary arts, fitness, target sports and dance for all ages and has added an academic menu as well. We offer scholarship opportunities for those who would like to participate but finances don't allow it. We believe that money should never be the reason for not participating; that is why we need your help!

We ask for your participation and support of this event by sponsoring or underwriting a table. Over 200 guests will attend this exciting evening not to mention the virtual attendees, eager to bid in both the silent and voice auctions for hundreds of different auction items! Your business will also benefit in multiple levels of visibility and advertising besides making a difference in the lives of many Cass and Jackson County youth.

Last year our event raised over \$40,000 in net proceeds for our programming & scholarships! **Please use the donor form below** to let us know how you will be participating. *In the Light* is a 501 (c) (3) nonprofit organization.

If you would like more information on donating items for our auction or *In the Light* Programs, please call Kjia Orstad, Executive Director, at 816-678-4764.

Sincerely,

Kjia Orstad, Executive Director
