

January 2025

Dear Friends:

We invite you to participate in a very special event, "Hollywood Glam: A Red Carpet Night for In the Light". We will be holding our 18th Annual Auction to fund our programs, our new building projects, and scholarships for

NATE'S KIDS  - these are scholarships for students who would otherwise be unable to benefit from the arts. The gala will be held on Saturday, March 1 at the Armacost Museum 4200 E 135th Street Grandview, MO . To gain more information, visit our website at itlarts.com or on Facebook, ITL "Nate's Kids" Benefit.

In the Light is a non-profit company and is a community builder. It's designed to promote excellence and personal growth while encouraging arts in the entire community. *In the Light* is committed to bringing morally upstanding art to the families of southern Kansas City and offers a full range of arts education including visual art, music, theater, martial arts, culinary arts and dance for all ages and has added an academic menu as well. We offer scholarship opportunities for those who would like to participate but finances don't allow it. We believe that money should never be the reason for not participating; that is why we need your help!

We ask for your participation and support of this event by donating item(s) for the auction! Over 250 guests will attend this exciting evening not to mention the virtual attendees, eager to bid in both the silent and voice auctions for hundreds of different auction items! Our **Silent Auction** includes merchandise, art, entertainment certificates / packages and collectibles valued at **\$50 or more**. Items valued at **over \$500 may qualify for our live auction**.

Last year our auction raised over \$40,000 in net proceeds for our programming & scholarships! **Please use the donor form on the back** to let us know how you will be participating. In the Light is a 501 (c) (3) nonprofit organization.

If you would like more information on sponsoring a table, purchasing tickets to our event, or In the Light Programs, please call Kjia Orstad, Executive Director, at 816-678-4764.

Sincerely,

Kjia Orstad, Executive Director
